

**Minutes of the Co-DDC meeting of Dhakuakhana Co-District for the months of February, March & April, 2026**

|              |                                                                   |
|--------------|-------------------------------------------------------------------|
| Subject      | Minutes of the Co-District Development Committee Meeting.         |
| Date & Time  | 14/05/2026 & 11:00 a.m.                                           |
| Venue        | Conference Hall of Dhakuakhana Co-District Commissioner's Office. |
| Participants | Annexure-1.                                                       |

The meeting was chaired by Sri Prabhat Pegu, ACS, Co- District Commissioner, Dhakuakhana. At the very onset the Chairperson welcomed all members of the Co-District Committee meeting of Dhakuakhana.

After threadbare discussions the following resolutions/ Assessments were taken department wise:

**Category A – Department specific**

| Sector         | Sl. No. | Administrative Department | Schemes/ Projects                | Overview of Schemes/ Projects & Decision/ Action to be taken                                                                                                                                                                                                                                                              | Agency responsible & Timeline                                                      |
|----------------|---------|---------------------------|----------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
| Infrastructure | 1       | PWD (T.R.)                | Asom Mala                        | It was observed that adjacent and joining area of all bridges and roads require leveling and improvement. Hence, the Chairperson instructed the EE, PWD (TR) Dhakuakhana to improve all such area/roads under Asom Mala/any other scheme to prevent unforeseen accidents.                                                 | The Executive Engineer, PWD(TR), Dhakuakhana & Naoboicha Territorial Road Division |
|                |         |                           | PMGSY-III, 2020-21               | The Chairperson observed that the scheme i.e. Road from Bordoibam Tiniali to Alimur Gaon, total achievement 94.54%. So, the Executive Engineer, PWD (TR), Dhakuakhana & Naoboicha was instructed to complete 100% urgently.                                                                                               |                                                                                    |
|                |         |                           | SDMF SCHEME FOR THE YEAR 2023-24 | The Executive Engineer, PWD (TR), Dhakuakhana & Naoboicha informed the house that the scheme Improvement of Gogamukh to Ghilamara Road (SH-22) by providing 100 M Length Causeway at Ch. 19875 under SDMF overall progress 50%. It may causes serious problem to connect Dhakuakhana to Gugamukh during the rainy season. |                                                                                    |

**Minutes of the Co-DDC meeting of Dhakuakhana Co-District for the months of February, March & April, 2026**

|                                         |   |               |                                                     |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |                                                                     |
